

The Maritime Institute of Eastern Mediterranean (Mar.In.E.M.) is a non-profit organisation, established in 2010, with the aim to promote Research, Technology, Innovation, as well as Education and Training for the Maritime Industry.

In addition, it acts as a Forum, but also as an Incubator of Business Opportunities, concerning Marine and Maritime issues, encouraging and facilitating Dialogue, Networking and Cooperation within the Eastern Mediterranean region; a region of significant importance for the global economy.
